Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students entering with a master's thesis from another institution may request a waiver of the thesis requirement (see Graduate Student Handbook, Section III.D.2.; <http://psychology.wvu.edu/students/current-graduate-students>). It is generally expected that students with an approved thesis waiver will complete the program one year sooner than students without an approved thesis waiver. Students entering the program having completed coursework at another institution may request a waiver of specified coursework.
